A New Catalogue
of Native Plants

IT IS FREE FOR THE ASKING

For many years I have lived with the native plants of the Carolina Mountains. I have seen them when the first flowers peep out in spring; I have watched them disappear under a downy blanket of snow.

My new Catalog will tell you about these lovely wildings
Closed Gentians, Clintonias, Asclepias, Cimicifuga, Vio-
las, Lilies, Rhododendrons, Kalmias, Azaleas, and a
hundred-and-one other things.
